

# Imagine...

Day trips in a mini-bus, meet-ups with tasty food, a hub to hang out with friends and the chance to win a laptop... all whilst helping your community tackle Climate Change!

Free sessions running on Saturdays between January and April. Travel and food included.

1

January

Mammoth, climate action cinema

## Tour of the Veolia Nottinghamshire Materials Recovery Facility

2

February

3

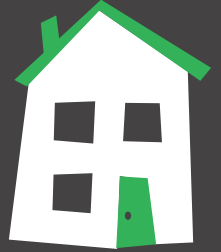

March

Plastic waste studio

## The Climate Hub

Regular meet ups over the Summer holidays, to work together and bring your ideas to life.

These sessions are yours to plan. Want to order pizza? Watch an inspiring film? Learn a particular skill? **Whatever you need, let's make it happen.**

4

April

Electric Daisy, Down to Earth Derby

We will visit 4 inspiring projects across Nottingham & Derby that are acting on Climate Change. Transport & a goody bag included!

Submit your own ideas for climate action in your community for the chance to win a laptop!

The Meadows Community will select one idea for the Youth Project to work on together over the summer and create real change.

Be part of the global  
**movement** to  
act on Climate  
Change

## About Green Meadows

We work alongside Meadows residents to build a community that can tackle climate change and have a positive, long lasting impact on our neighbourhood (and our planet). You will gain:

- ❖ Unique experiences & skills
- ❖ New friends
- ❖ Have a say about what is happening in your community
